

Membership Fee Standards and Management Rules of Asian Gallium Oxide Alliance

Article 1. General Provisions

To ensure the normal operation of Asian Gallium Oxide Alliance (hereinafter referred to as the alliance), fully reflect the purpose of serving members, ensure the effectiveness of the scope, methods and contents of services for members, strengthen the management of membership fee, and ensure that the income from membership fee can be better used for the construction and organization of the alliance, the membership fee standards and management rules are hereby formulated.

Article 2. Basis

These standards and management rules are formulated in accordance with the constitution of the alliance, with reference to the membership fee standards of other social organizations and combined with the work characteristics of the alliance.

Article 3. Criteria for Membership Fee

President: \$7,000 / year

Vice President: \$4,200 / year

Council Member: \$1,500 / year

Regular Member: \$500 / year

Article 4. Membership Fee Collection

1. Membership fee is the main economic source of the alliance to carry out various activities, and each member unit has the responsibility and obligation to pay membership fee on time.

2. Collection Time: After the approval of the membership within two weeks to pay the current membership fee, and then each year that month is the time for the member unit to pay fee.

3. Pay membership fee through bank transfer.

Article 5. Use and Management of Membership Fee

1. Membership fee is mainly used for providing services to members and carrying out various business activities in accordance with the purpose of the alliance.

2. The alliance shall implement the financial management system stipulated by the State and shall be strictly managed in accordance with the “Asian Gallium Oxide Alliance Financial Management System” .

3. The alliance shall regularly announce the income and expenditure of membership fee to the Council and accept the review of the Council.

4. Report the income and expenditure of membership fee to the Registration and Administration Authority of Social Organizations at the time of annual inspection.

Article 6. The establishment or adjustment of the standards of membership fee and the methods of management shall be subject to the vote of the Council.

1. The alliance shall convene a board of directors to formulate or revise the membership fee standard, which shall be attended by more than 2/3 of the Council Member and approved by more than 1/2 of the Council Member present. The voting shall be conducted by secret ballot.

2. The standards of membership fee shall not be established or revised in any other form than by the

Council.

Article 7. The Board of Directors of the alliance shall have the right to interpret the membership fee standards and management rules of the alliance.

Article 8. These rules were adopted by the Second Council of the Asian Gallium Oxide Alliance on September 26, 2024, and shall come into force on the date of adoption.
